Funeral Plans from Memorial Woodlands

Memorial Woodlands offers excellent quality funeral plans as part of the dedicated service we provide to the families that we look after.

Investing in a funeral plan today will ensure that your family is not burdened by surprise costs at a time of emotional distress. We know from our years of experience that our customers often feel a great sense of relief, even calm, once they have put their affairs in order.

Our funeral plans are flexible and cover everything from a simple burial service to a service in our chapel and burial in our cemetery, followed by lunch for family and friends with exclusive use of our reception rooms and gardens. We offer their use for the morning or afternoon. The choices are yours and it is our pleasure to be of service.

What to do next

Please contact us to arrange a meeting to discuss your requirements, we will be pleased to answer your questions about our plans, purchasing a plot in our woodland cemetery and details about the services that we provide.

Your burial plot at Memorial Woodlands

Each of these plans comes together with the rights to an interment in a burial plot at Memorial Woodlands, Bristol. When you purchase your chosen plan we will reserve to you the rights to an interment in a "next in line" plot in our woodland cemetery. This plot will be made ready on the day of your service and our team will carry out all the necessary preparation and remediation on the day, they will also take care of all the paperwork and the appropriate lease deed will be passed on to your executors.

Bristol Memorial Woodland Trust

Bristol Memorial Woodlands is supported by this Charitable Trust, registered with the charities commission, no: 1082094. The Trust was created for the public benefit to create and preserve woodland areas and to maintain and perpetuate the same by long rotations of planting and felling.

The Trustees are responsible, through the work of the Trust, for the ongoing maintenance of the site and the conservation and protection of wildlife.

The site is open to the public for personal reflection and enjoyment and for educational purposes. The Trust derives its income from donations and individual bequests. In order to ensure that it's remits can be effectively managed we ask each plot owner to make a donation to the Trust at the time that they purchase a plot or, in this case, a funeral plan with a plot attached. This £100.00 donation should be made by cheque or bank transfer payable to Bristol Memorial Woodland Trust.

In supporting the Trust you will be helping to ensure the sites' effective guardianship into the future.

The Unattended Funeral Plan £1495
